Full-Time Faculty Positions Discipline of Family Medicine, Faculty of Medicine

<https://www.mun.ca/medicine/familymedicine/>

The Discipline of Family Medicine is recruiting for full-time Family Medicine faculty positions at the level of Assistant Professor or above, based on experience. These positions are eligible for promotion in accordance with Faculty of Medicine guidelines related to strong performance in education, leadership, research, and clinical excellence. These positions are anticipated to commence in July 2024, subject to budgetary approval.

Academic responsibilities include undergraduate and residency education within the Discipline of Family Medicine and the Faculty of Medicine. Clinical responsibilities include a diversified Family Medicine practice linked to one of the three academic teaching sites in St. John's. Successful candidate(s) will be expected to practice broad scope Family Medicine.

Candidates must be certificants of the College of Family Physicians of Canada and be eligible for full licensure by the College of Physicians and Surgeons of Newfoundland and Labrador. An academic salary combined with an alternate payment plan package allows for protected time for the expected scholarly activity in education, leadership, and research. Attainment of an advanced degree in either research or education is an expected component of the position being offered.

The Discipline of Family Medicine is one of the largest disciplines within the Faculty of Medicine at Memorial University. It is an exciting, dynamic environment, with a focus on community connections and a commitment to health. Our faculty members have a broad range of interests and work, including in the areas of Indigenous health, care of underserved populations, care of the elderly, low risk obstetrics, rural health research, and more. The discipline strives to guide the next generation of physicians into practice and advance health through leadership in socially accountable education, research, and comprehensive patient-centred care. For more information about the Discipline, visit www.mun.ca/medicine/familymedicine.

To Apply:

Submit an application package including: a letter of application, a curriculum vitae, a diversity, equity and inclusion statement, and the names and contact details of three referees. **Please quote reference number MS00000163 on your application. Submit applications to: Shenoa White, DFMAAdmin@mun.ca.**

Review of applications will begin on April 15, 2024 and will continue until all positions are filled.

The Toronto Outpatients Medical Clinic, located in Mississauga (a 15-minute drive from the Toronto airport), is looking for a pediatrician to staff its busy outpatient medical clinic. Established in 1988, our clinic was one of the first multispecialty outpatient clinics in the Greater Toronto Area. Since that time, we have continued to provide care for walk-in patients from 8 am to 11 pm, 7 days a week, including holidays. On-call suite available for out-of-town physicians. This position offers a competitive salary, flexible hours, and no on-call requirements.
